

## **Business France - Sweden** is looking for an intern within its Tech & Services Department

**Business France** is the government agency supporting the international development of the French economy, responsible for fostering export growth of French businesses and promoting and facilitating international investment in France. Under the scope of the French Embassy in Sweden, the Tech & Services Department supports French tech start-ups, SMEs, and corporates with their growth strategy in the Swedish and Nordic markets.

### The Position

Within the Tech & Services Department, your missions will be:

- Participation in individual support services for French companies in the Swedish market (market studies, competitive intelligence, creating fact sheets on key sectors, prospecting on behalf of clients, etc.)
- The organization of B2B events (recruitment of French and/or Swedish companies, logistics, promotion of the event, etc.)
- Assistance in the preparation of sectorial informational webinars for French companies and/or Team France Export

*The missions listed above are for informational purposes and are subject to change.*

### Your Profile

- Fluency in French and English (bilingual level)
- Student on a gap year or in your final year of university
- Strong interest in new technologies
- Dynamic and autonomous profile

**Title:** Junior Trade Advisor – Tech & Services

**Internship Location:** Stockholm, Sweden

**Period:** 6 months starting on January 10<sup>th</sup>, 2021

**Remuneration:** in accordance with the French legal minimum wage for internships

**To apply,** please send your application (resume and cover letter), either in French or English, to Mathilde Paule ([mathilde.paule@businessfrance.fr](mailto:mathilde.paule@businessfrance.fr)) before **Friday, October 15<sup>th</sup>, 2021.**
